

# Emtek Ultracrete Instaline Thermoplastic Road Marking 5m Roll

## EMTEK Highway Maintenance Solutions

Emtek Ultracrete Instaline is a pre-formed thermoplastic road marking, designed for the reinstatement of small line marking areas on car parks, roads and carriageways. Ideal for quick and easy repairs after maintenance work has taken place, enabling instant road opening and eliminating repeat site visits.

### KEY FEATURES

- Handy 5m roll
- 100mm wide
- Simple and easy to use, just apply heat from blow torch
- Eliminates repeat site visits
- Immediately open to traffic
- Available in Yellow or White

### PERFORMANCE & STORAGE

- Each box contains 5 rolls. Each roll is 5m long x 100mm wide.

#### Storage

Store in a cool dry place at temperatures between 5°C-25°C.  
Shelf life in correct conditions for sealed tubs is 6 months.
